Osgood Elementary PTO Meeting  
May 11, 2021  
Zoom Meeting

President Jennifer Odden opened the meeting, welcomed members and spoke about having no agenda. We proceeded without a formal agenda.

Members Present: Jennifer Odden, Kristi Toy, Allison Isrealson, Ricky Heck, Laura Bohan, Courtney Tucker, Tammy Rutherford, Amber Petznik, Miranda Wolf

President Jennifer Odden presented the minutes from the meeting in April, Tammy motioned to approve the April minutes. Second by Allison.

Principal Toy gave a report of the activities taking place in school recently. The students all completed their NDSA testing, all went great. Only 3 weeks left of school! Mrs. Toy also talked about having a walk-a-thon in the Fall as our school fundraiser, and how it could tie into the spring Fun Run.

Treasurer Tammy Rutherford did not have the documents for the financials at the time of the meeting, they will be posted on [osgoodpto.weebly.com](http://osgoodpto.weebly.com) before May 14th.

President Jennifer Odden announced that the Yearbooks are in, and the teachers were able to receive theirs during Teacher Appreciation Week. Students will get theirs closer to the end of school. She also reported that Teacher Appreciation Week was successful and we the PTO received many thank yous!

Vice President Courtney Tucker said that the School Supply sales are going good, we have about 14 students signed up and plan to push some more information out through the teachers and social media.

Nurse Rachael has requested \$300 to make a hygiene package for the students who recently participated in the "talk" during health class. All members voted aye and the motion was approved.

Treasurer Tammy will email with Miss Rogness regarding the folders for 2nd grade, and get those ordered before the end of May.

We did not have anyone interested in volunteering for a board position. It was mentioned we could just have a group of parents volunteers willing to help meet as a parent committee before the start of school so we can still do something for Back to School, and then due to that we moved the vote to the first meeting of the 2021-2022 school year.
